FREEDOM TALK...

THE PRINCIPLES OF FAITH & FINANCIAL FREEDOM CAN CHANGE THE LIVES OF INDIVIDUALS... AND POSSIBLY YOUR ENTIRE CHURCH.

GOD HAS CALLED GARY MCSPADDEN TO TEACH THE PRINCIPLES OF HOW TO ACHIEVE FINANCIAL FREEDOM AND FINANCIAL VICTORY ACCORDING TO HIS WORD. THIS TEACHING TOUCHES PEOPLE AT THE POINT OF THEIR DAILY DIFFICULTIES AND NEEDS, STRENGTHENS FAMILIES, BRINGS SOULS TO CHRIST AND INCREASES FAITH TO BELIEVE GOD FOR THE MEETING OF EVERY NEED.

1. FOCUS YOUR FAITH ON WHAT GOD'S WORD SAYS ABOUT YOUR FINANCES.
2. FOCUS YOUR EFFORTS AND ENERGY TO ESTABLISH DISCIPLINES THAT PUT YOU ON THE ROAD TO YOUR PERSONAL FREEDOM AND VICTORY.
3. PERSONAL DEBT IS A TROUBLING PATTERN IN THE CHURCH TODAY.
OUR DESIRE IS TO HELP INDIVIDUALS AND CHURCHES GET OUT OF DEBT... TO BE FREED FROM DEBT SLAVERY, AND TO COME TO A PLACE OF FINANCIAL FREEDOM SO THE CHURCH CAN FULFILL JESUS' COMMAND TO GO INTO ALL THE WORLD AND PREACH THE GOSPEL.

OUR ULTIMATE GOAL IS TO EQUIP THE SAINTS SO THAT THE CHURCH BECOMES MORE EFFECTIVE IN WINNING SOULS TO CHRIST.

DEBT TALK...

TOO MUCH DEBT...HOW DID WE GET INTO THIS MESS ANYHOW?

We have mortgaged our future to satisfy our greed and lust of the present.

The Bible discourages the use of debt but does not prohibit it.

The real problem is our greed, selfishness, fear, impatience, and ignorance of God's Laws.

HOW DO WE GET OUT OF DEBT?

Get God involved in your money! Seek His Word for wisdom in spending.

You must know that it is God's will for you to be debt free. Just because everybody is in debt, doesn't mean God is in favor of it.

FREEDOM POINT: DEBT IS NOT A SIN!

In Deuteronomy 28, Financial Freedom is clearly identified as God's will for us.

When you know it is God's will for you to be financially free, there is a supernatural-energy that will enable you to do what God wants you to do. You must know in your heart that you are going to get out of debt, then discipline yourself to do what it takes to get out of debt.

Job 22:28 "You shall declare a thing and it will be established."

Mark 11:23 "For assuredly, I say to you, whoever says to this mountain, 'Be removed and be cast into the sea and does not doubt in his heart, but believes that those things he says will come to pass, he will have whatever he says.'"

Work at getting out of debt.

"Faith without works is dead" – Jas 2:26 •

Credit cards make it so easy to overspend. In fact, the banking & credit industry is counting on your lack of discipline! Remind yourself that a credit card is just putting off the inevitable. If you can't afford it with cash, even though the store will let you use your card, don't buy it!

Always remember, it's a credit card, not a debt card. They are a convenience if you pay them off each month but they are a disaster and they are destructive when you don't.

CUT THE ROOT OF DEBT.

Nothing can attach to you in the natural realm unless it has a root in the spirit realm.

Are you aware that only about 18% of Christians tithe?"

Mal. 3:10-11, is not only a lesson on tithing but rather is a lesson on one of the greatest releases of blessing for God's people. Yet God's people refuse to embrace it so only 18% lay hold of it and 82% of that blessing is withheld from the church.

Don't look for supernatural-debt cancellation unless the root of debt is cut. Remember this, nothing will change as long as you insist on doing things the way you have always done them.

Definition of insanity:

"Doing things over and over the same way and expecting a different result."

OUR SEMINARS BRING HOPE AS WE SHOW HOW DEBT CAN BE ELIMINATED AND PEOPLE BEGIN TO SEE HOW THEY CAN BECOME DEBT FREE

SEED TALK...

A farmer begins sowing his seeds months in advance of the needed harvest and your tomorrow is being decided right now! Your seeds of love... mercy... money... are moving into your future today. What you are and what you do will reproduce around you. God created apples to produce apples... grain produces more grain... the giver creates givers.

SO, YOU ARE A SEED. Sow yourself into the future of someone else's life today. And remember this, you are not only a seed, you are also someone else's harvest.

Seed faith is sowing what God has given you to create something that you have been promised.

In 1 Kings 17:8-16, Elijah taught the seed-faith principle to a widow in Zerpeth.

She did not have much... she simply planted the seed that she had.

She realized that whatever you have in your hand is the seed, and what ever God has in His hand is your harvest! Look at what she did and the way she approached her situation...

This widow heard the Word of the Lord.

She believed it (she was persuaded...convinced).

She planted a portion of what she had back into the work of God.

She expected her seed to be multiplied back to her.

She prepared...she got ready.

She received her harvest!

The seed that leaves your hand never leaves your life. It is transferred into your future where it is multiplied for you and for the Kingdom. And remember, THE HARVEST IS ALWAYS MORE THAN THE SEED!

This Law Of God always works... whether you believe it or not.

The Sun comes up each morning... whether you believe it or not...

Spring follows winter... whether you believe it or not...

Water runs downhill... gravity always works... night always follows the day... flowers bloom in the spring...

God's law is always at work... whether you believe it or not.

YOUR harvest comes from **YOUR** planted seed... whether **YOU** believe it or not!

It is the **LAW OF GOD!**

...TESTIMONIES...

It was such a blessing to have Gary McSpadden here to minister at our church. His singing is tremendous and the word he brings to the church is a word that is right on time... It is a word that helps the Body of Christ become all that it is supposed to be and more. Bro. Gary's personality and delivery makes it easy for the people to receive and to respond to what God is saying through him. He gives you a real feeling that he is there to help you and bless your church. Our people were greatly blessed by the word that Bro. Gary preached that morning brought a great release and freedom concerning finances. One lady sowed a \$1000 seed after hearing Bro. Gary's message and the very next morning received a check for nearly \$5000 totally unexpected. I believe you and your church will be greatly blessed and lifted to a new level through Gary McSpadden's ministry.

GREAT FINANCIAL FREEDOM REVIVAL!

We invited Gary McSpadden to our church to preach on Finance and to conduct a Financial Freedom (stewardship) seminar/revival. We received so much more as Gary combined Faith and Finance together in a type of Financial Holy Matrimony. This uniting of Faith and Finance is truly a marriage made in heaven and now unveiled on earth. I am convinced since our Financial Freedom Revival, that now more than ever, the union between Faith and Finance should never be "put asunder". Consequently our people are blessed, families are strengthened, becoming free and seeing their lives changed. Our church will never be the same again!
